EDUCATION

Harvard Graduate School of Design — Cambridge, MA

Master of Architecture in Urban Design — *Aug 2025-May 2027 (Expected)*

Ivory Fellow in Housing Affordability and Sustainability

Tsinghua University, School of Architecture — Beijing, China

Bachelor of Architecture, GPA: 3.84/4.0 — *Sep 2020-Jul 2025*

Comprehensive Excellence Scholarship

EXPERIENCE

Harvard Graduate School of Design — Cambridge, MA, USA

Research Assistant | Unhoused America — *Aug 2026-Present*

- Design and maintain the website for Unhoused America, a multimedia research and publication project exploring homelessness in the US, including interactive web features and ongoing site updates.
- Support project engagement by conducting outreach to advocacy organizations, researchers and designers.

The Neighborhood Developers — Chelsea, MA, USA

Community Building / Real Estate Intern — *Jun 2026-Sep 2026*

- Developed educational brochures for the Housing Equity Committee, explaining Area Median Income (AMI), affordable housing programs, and housing affordability concepts to residents and community members.
- Designed simulation materials for housing lottery processes of affordable units in 25 Garvey St, Everett, MA.

Tsinghua University — Beijing, China

Research Assistant | Beijing's Aging Residential District Renovation & Study — *Jan 2024-Jun 2025*

- Designed a web-based application workflow with generative AI to produce facade design iterations, enabling residents to visualize renovation options for aging residential buildings.
- Conducted resident surveys to examine perceived safety and walkability in aging residential districts.

JZFZ Architectural Design co., Ltd. — Chengdu, China

Architecture Intern — *Jun 2024-Aug 2024*

- Developed and prepared detailed construction drawings for an affordable housing community in Sichuan, China, contributing to site planning, unit layouts, and building documentation.

Hassell — Shanghai, China

Architecture Intern — *Nov 2022-Feb 2023*

- Produced building façade design iterations with Grasshopper and preliminary construction drawings for residential towers in a medical campus mixed-use development project in Shanghai, China.

LEADERSHIP & ENGAGEMENT

ChinaGSD @ Harvard Graduate School of Design — Cambridge, MA, USA

Co-chair — *Sep 2026-Present*

- Organize and oversee lectures, career panels, cultural and social events for students interested in Chinese design practices.

Student Union @ School of Architecture, Tsinghua University — Beijing, China

Head of the Art and Entertainment Department — *Jan 2022-Jan 2023*

- Organized and directed events for student entertainment including annual festival, singing competition and ball.
